Serta®

perfectsleeper®

Perfect sleep. Night after night.

Featuring **3 support zones** designed for body alignment with a combination of **premium pressure relieving foams** and **cooling technology**.

Night After Night Support

3-Zoned coil system design offers perfectly balanced, stable & long-lasting support. Plus, Serta® Relief-Gel Zone is located in the centre third for extra lower back support.

Night After Night Comfort

A layer of Cool Twist® Gel Memory Foam designed to relieve lower back pressure and ensure all-night alignment. Plus, a layer of wool and QuiltLoft™ Memory Foam for additional comfort.

Night After Night Cooling

Features the upgraded CoolFeel™ Plus Fabric designed to help you stay cooler for a more comfortable sleep.
